

Need health insurance?

The Special Enrollment Period (SEP) for the federal Healthcare Marketplace ends **August 15**. During this time, you can enroll even if you currently have coverage.

If you already have coverage through the Marketplace you are now eligible for additional benefits like birth control coverage and medical management programs, along with extra savings and tax credits.

To view plan options on healthcare.gov and to see if you qualify for tax credits:

1. Scan the “view plan options” QR code below.
2. Enter your zip code and click continue.
3. Enter information about you and your household.
4. Enter your age, sex, and whether you are currently eligible for health care coverage through a job, Medicare, Medicaid, or CHIP; are a legal parent or guardian; pregnant, or tobacco user.
5. Enter your household income.
6. Indicate if you received unemployment compensation in 2021.
7. Click view plans to see if you qualify for a premium tax credit.
8. Click on the plan you’d like to select, then print, email, or take a screenshot of the page so you’ll have the full plan name and **14 character Plan ID**.

Call **1-800-318-2956** if you have any questions.
